Package Mania

As always, we are happy to accept your packages while you are not at home. But during the holiday season the volume of packages tends to increase, so please make arrangements to pick up your packages as soon as possible.

Decorating Safely

Although trees, lights and candles help homes look festive, don’t sacrifice safety in the name of holiday decorating.

- Place Christmas trees away from fireplaces and other heat sources to prevent fires.
- Check your tree lights for broken or frayed sockets and wires or any loose connections. Use no more than three light sets on one extension cord.
- Don’t treat old tinsel as a family heirloom. Make sure your tinsel and garlands are made of new material that is nonflammable. If using an artificial tree, be sure that it is fire-resistant.
- Turn off all lights and other decorations at bedtime or when you leave home. And of course, never leave burning candles unattended or in reach of small children.

Wrap Your Gifts Without Waste

Holidays don’t need to be a celebration of the packaging industry. An incalculable amount of paper, ribbon and tape is consumed, and most of it ends up in garbage cans. Be environmentally conscious.

- Make gift bags out of leftover pieces of fabric. Or check out the fabric stores for remnants or ends of rolls for brightly colored materials. These can be used over and over.
- Go for the country look! Attach calico ribbons to brown paper bags or decorate the bags with crayon designs. Enlist the help of the younger ones.
- If you are giving a gift of homemade goodies, pack them in a reusable tin or cookie jar topped off with a bow—no wrapping paper is necessary.
- Save the bows of wrapped gifts you receive. These can be used over and over.

Steps for a Stress-Free Holiday Season

- Make a list of family and friends you will be making a purchase for and set a dollar amount for each gift.
- Ask friends, relatives and co-workers to write wish lists for you so that your holiday purchases for them are right on target.
- If you feel tired while holiday shopping, leave before you start making expensive purchases for the sake of convenience.
- Try to pay for everything in cash – not credit cards. It will help make you stay within your budget.
- Make large batches of stew, soup or casseroles and freeze them in dinner-sized portions. When time gets scarce during the holidays, simply defrost what you need.
- If sending packages through the mail, be sure you allow several extra days for delivery. The postal service, UPS, FedEx and other carriers are loaded down this time of year with packages, and extra time will be needed to assure they make their destination in time for the holidays.

Wishing You the Best!

Our office will be closed on **Tuesday, December 25** for the Christmas holidays. We will reopen on Wednesday, December 26 for business as usual.

As a reminder, we will also be closed on **Tuesday, January 1** for New Year’s Day.

The entire staff of The Saxony wishes you peace, health, and happiness this holiday and in the upcoming year.

A Time to Celebrate

December is here, and millions of Americans are celebrating this month. With all the Christmas decorations and marketing, it is sometimes hard to remember there are millions who are celebrating in other ways. This month many are celebrating Hanukkah and Kwanzaa as well. As you enjoy your holidays, remember to be respectful of other people, other faiths and cultures. Take the time to learn about other traditions. Happy Holidays to all celebrating this month!

More Trash Than Usual

The holidays mean a lot more trash is generated. Please remember that trash cannot be left in hallways or breezeways. Not only is it unappealing, but it is also a fire hazard. Remember to secure all trash in a bag, and break down boxes and containers before disposing to maximize available space in the dumpsters. Do not put large items such as mattresses or furniture in property dumpsters. Organizations such as Goodwill and the Salvation Army will accept such items, and some of them will even pick up for you. Let’s all work together to keep the trash under control this holiday season.

One is the Loneliest Number

As we age, loneliness seems to be a constant companion. Make sure you are taking advantage of programs in your community – games, fellowship, trips. When people get together, there’s always good times!

Surround yourself with family and friends during the holiday season. Start a new hobby, begin a book club or read aloud to others, play the piano and sing songs of the season. Encourage others to join you and you’ll soon be among the best of people!

You have almost a whole month to enjoy your home decked out. Here are some ways you can decorate cheaply.

Put up a tree – big or small, lights or no lights – that's the easiest way to decorate. Make your own decorations with pinecones, popsicle sticks to look like stars, paper doilies. Side note: shop for ornaments after Christmas for decorating next year.

Hang a wreath – on a door, on a wall, on something you wouldn't necessarily think of. Leave it plain, decorate with ribbon, or goodies around the house. Consider buying fabric and cutting into strips for multi-purpose decorating.

Pillows that are colored, mixed and matched with a few holiday patterns, colors or sayings, make a fun, festive place to relax. Don't forget inexpensive throws or blankets.

Even if you haven't bought all your Christmas gifts, go ahead and wrap what you have. Inexpensive fabric is also great to wrap now and rewrap later. Presents under the tree just say, "Happy Holidays!"

Have stairs? Line topiaries in white pitchers up the top three steps. Add ribbon and lights for a festive look.

Make fun little groupings like candles, holiday décor and sprinkle on the top of some of your cabinets, tables, mantels. Hit up thrift stores for special finds.

How about a coffee/hot chocolate bar? Add some red and white candy canes and marshmallows and you're set!

Use vintage hand towels on your bed pillows or hung over a chair. Red striped placemats and towels add a special touch.

WINTER IS OFFICIAL

Although it may already feel like winter where you live, the official start of winter is December 21. Since it has the fewest daylight hours of the year, let's make sure we get our required amount of sleep during the month.

Proper rest will make you want to take advantage of exercising. Don't let cold weather slow you down. Whether you walk or run outside, circle laps in your home or take advantage of your community workout facility, make time for your health.

'Tis the Season FOR THE CHALLENGE

Try to fill in the missing numbers.

				10
				22
			1	10
3	5	1		11
	5		3	19
14	20	21	7	14

The missing numbers are integers between 0 and 9.

The numbers in each row add up to totals to the right.

The numbers in each column add up to the totals along the bottom.

The diagonal lines also add up the totals to the right.

BETTER TO GIVE THAN TO RECEIVE

December is a month to volunteer. Find your passion and give of yourself.

Read to kids in school, tutor students in math, teach English to refugees, help at your local food bank, or homeless shelter.

The list is endless and the needs are great.

RECIPE

CHICKEN/TURKEY CRESCENT ROLL-UPS

Here's a great way to use leftover turkey or chicken!

INGREDIENTS

- 2-3 chicken breasts
- Chicken broth, enough to cover chicken while cooking
- 1 can crescent rolls
- 1 can cream of chicken soup
- 1/2 cup milk
- 1 cup shredded sharp cheddar cheese or 1 can of cheddar cheese soup
- 1 tsp. onion powder

DIRECTIONS

Place chicken breasts in crock pot and cover with broth. Cook for approximately 4 hours (on low) or until done. Remove from crock pot and let cool. Cut the chicken into small pieces and place a tablespoon of chicken in crescent rolls and roll up. Place in a greased casserole dish. Mix the other ingredients together and heat until cheese is melted. Pour over rolls. Bake at 350 degrees for 20-30 minutes or until brown.
