

Easy Money

Pick your neighbors by referring them to our community. Once they sign a lease and move in, we will give you \$\$\$\$. That's easy money! Stop by the office for complete details.

Air Conditioning Time

Now that warmer weather is here, most of you will begin to rely on your air conditioning heavily. Here are a few things to keep in mind:

- Do not turn your air conditioner off during the day while you are away. While your air conditioner is off, the walls in your home will heat up and your cooling unit will have to run twice as long to cool when turned back on.
- Try to keep your thermostat at a constant temperature. Raising and lowering the temperature only increases the amount of work the unit has to do. An ideal temperature setting is about 72 degrees.
- Keep your blinds closed as much as possible, especially if you are on the south side of a building. Sunlight alone will easily raise the temperature in your home 10-15 degrees.
- Remember that any air conditioning unit is designed to cool approximately 15 degrees cooler than the outside temperature. So when the temperature outside reaches 98 degrees, your home cannot realistically be cooled to 68 degrees.

Please check your air conditioner and report any malfunctioning to our office so that we can correct it as quickly as possible.

Congratulations, Graduates!

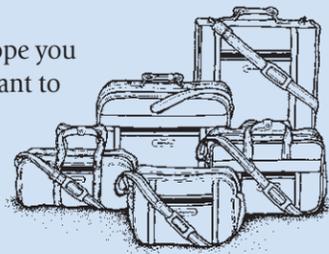

Whether you are completing high school or receiving your college degree, we are proud of you! As you look back at the happy times, the friends you've made, and the things you've learned...and as you look ahead to a future full of promise and opportunity...we wish you good luck and success on your journey.

Vacation Plans

Have plans to get away for a few days? Good for you! We hope you have a wonderful time. Here are a few things you may not want to forget to do before you leave:

- Pay your rent and other bills if they will be due while you're gone.
- Lock all doors and windows.
- Have your mail stopped, or arrange for someone to pick it up for you.
- Let someone know how to get in touch with you in an emergency.
- Don't forget to leave your pets in someone's trusted hands.

Enjoy your vacation!

Kids at Play

School will soon be out, and with the longer daylight hours kids will be outside playing. Be aware of your surroundings as you're driving through the community and let's keep everyone safe.

Welcome!

We would like to extend a warm welcome to all our new residents. If you have any questions about the community or your new home, please call or stop by the office and we'll be happy to answer them. To those residents who have renewed their lease, thank you. We're honored to have you as residents.

Mothers Day

Our observance of Mothers Day began in 1907 when a woman named Anna Jarvis requested her church to hold a service on the anniversary of her mother's death, in memory of all mothers. All those who attended were asked to wear a white carnation in remembrance. In 1914 President Woodrow Wilson declared the second Sunday in May to be Mothers Day. According to tradition, a red carnation is worn in honor of a living mother, and a white carnation is worn in memory of one who is not.

More than 46 countries have officially set days for this, although the dates will sometimes vary. The United States, Canada, Denmark, Italy and Australia have all designated the second Sunday of May as Mothers Day.

FITNESS IS FOR EVERYONE

It all begins with a step towards a goal. And it's time we all took that step. May is **National Physical Fitness and Sports month**. Here are some easy ways to get involved.

- If your child plays a sport, good for them! How about walking around the field or complex while watching them practice?
- Let's bike-as a family, with friends or by yourself. Many towns offer greenways for walking and biking. Or bike somewhere you want to go—to the movies, out to eat—make it an adventure.
- Play tag with the kids. They'll love it and it will get your heart rate up, too!
- Horseshoes or shuffleboard anyone? You're moving, using your brain and you're having fun.
- Love to read but need to walk? Download free audible books from your local library and get moving.
- Stationary exercises such as moving your arms in circles, shrugging your shoulders up and down, and even leg raises can make a difference.

HONORING MEMORIAL DAY

Memorial Day is a day of recognizing and reflecting on the sacrifices made by our armed services.

Here are some social media content tips:

- DO post a general comment which recognizes the holiday. Use patriotic images such as the American flag or the Statue of Liberty.
- DO recognize and thank members of our military, especially if you have a family member serving (ask their permission).
- DO post your BBQ fun, but keep it separate from posts regarding Memorial Day remembrance.

Celebrating "CINCO" STYLE

Are you looking for a fun way to celebrate Cinco de Mayo? Host your own "Cinco" party!

- Plan your menu – tacos, enchiladas, nachos, guacamole, fresh salsa. The menu can be as endless as the fun!
- Create your own playlist of some of your favorite Mexican songs or google "top billboard songs in Spanish." Better yet, play songs on the guitar.
- Yes, you do need a piñata – a fun game for kids and adults!
- It's easy to make your own decorations out of tissue paper— red, white and green streamers, colorful cut-out flowers or purchase a Mexican flag.
- Design a photo backdrop and encourage people to dress up in colorful clothes to get in the spirit of the day. Use a colorful blanket and add some photo props such as a sombrero, mustaches, etc.
