

RENT REMINDER

Remember to pay your rent on or before the first of each month in order to avoid paying a late fee. A late fee is charged if payment has not been received by the fifth of the month. When your rent is late, please understand that we cannot accept a personal check, and it must include the late charge. We are unable to accept cash at any time.

At Your Service

Although most maintenance requests are completed during normal business hours, we do offer emergency maintenance for problems that require immediate attention. When you experience a problem after business hours, ask yourself if it truly is an emergency. Those on our maintenance staff, like everyone else, enjoy spending time away from work with their family and friends, so please don't ask and expect them to repair items after hours that are not really emergencies.

When reporting any service request, whether it is during office hours or after, please give a complete description of the problem, your name, apartment number and telephone number. Having accurate and complete information will assist us in meeting your needs more quickly.

FALL IN LOVE WITH FALL

The warm temperatures may still be around a bit, but there are signs of crisp mornings and evenings. Leaves will be showing a bit of color and soon we'll be enjoying some beautiful scenery in our city.

We do our best to keep your community looking good all year long and we appreciate your help in making sure trash is discarded properly. Thank you for taking the time to make sure your entrance and balcony/patio are neat as well.

Goodbye to the Summer

It's time to say goodbye to another year of our pool season. You've been great at helping us with all the rules this year and we look forward to reopening next summer! Join us for a last pool swim Labor Day weekend!

SLOW DOWN!

School is back in session and we want to make sure all our kids arrive to school safe and sound! Look twice as you drive through our neighborhood and watch out for children. Never pass a school bus as they are driving through our community.

NEVER FORGET

We will never forget 9/11, but let us remember in a way that will honor the people that perished that day. Do a good deed for a friend, a neighbor, a stranger. Pay it forward. Practice random acts of kindness. It begins with one person; let it be you.

Observe a moment of silence at 8:46 am (Eastern Daylight Time) to remember.

you can do it!

To many of us it's a sign of the end of summer activities, but it's recognized as a day for the common man honoring him for his work. We owe much to these brave men and women who stood up for fair treatment in the workforce. So enjoy your earned day and appreciate those who made it better for all of us!

BUGLE BITES

Put a couple of tablespoons of peanut butter into a small zip lock bag. Snip off a small corner. Fill bugles with a little peanut butter. Heat chocolate in microwave until melted. Add cinnamon and stir well. Dip the larger end of the bugle (with the peanut butter) into the chocolate. Spread the bugles onto waxed or parchment paper. As soon as chocolate hardens they are ready to eat or store in a covered container.

- 1 bag bugles
- Creamy peanut butter
- 1 pkg. of chocolate candy coating
- 1 Tsp. cinnamon

BUDGETING FOR THE HOLIDAYS

91 days until December 1st. Since we don't want to pay with plastic, it's time to think about that holiday budget. You'll want to allow for Gifts, Parties, Travel, Food, and Giving.

Begin writing down now everyone you need to get a gift for – everyone! Put a dollar amount with each gift. Homemade crafts / gifts are always an option and this year you may want to limit who you buy for.

What kind of parties will you be attending / hosting? Write it down, along with what you will bring and serve, including plates/utensils. You may have to estimate here, but write down what you can.

If you'll be traveling during the holidays, start planning now to get your airline tickets. If you're not ready to pay yet, see what prices are now and keep in mind they'll only go up! Set aside gas money if you'll be traveling by car, even if it's local.

We eat more when we're off work, so make sure to write down what you think you'll eat when you are at home or on the road.

Now that you have a rough estimate, what can you do to bring in extra cash or save \$50 a week?

- 1 Tighten your budget (you do have a budget, right?). Example: ditch or downgrade TV services for 2 months.
- 2 Eat out only once a week.
- 3 Only buy on sale (even groceries).
- 4 Sell something. Take advantage of social media trading posts in your city.
- 5 Pick up a side job for a few months.

If you saved \$50 a week between now and December 1st, you would have an extra \$600! You can do this!
